Treasurers Report: Accepted as read. Hall of Fame and Wildside.

Conservation Report: None. Peter MacLellan reported that programs are available from federation sponsors like Berkley, to clubs who want to do projects. Clubs can submit and earn money or product.

Tournament Report: Results posted on line for first two tournaments. Tournament #3 is @ Hinsdale NH on the Connecticut River. Poor Boyz will be offering an additional Lunger Prize if you purchase product from them at the ramp prior to the tournament. Call in for the Buy-Ins to this tournament will start on the Friday of the week before the tournament. Call John Sampson. You will need a Vermont license to fish this tournament.

Scholarship Report: Three applications were received and accepted by the Federation for \$700.00 each. \$2100.00 needs to be added to the budget for next year. A-1 won the 50/50 raffle.

Youth Report: At this time Plymouth Rock, Mystic Valley, and Yankee Bass are in jeopardy of missing the Fish-offs for not complying with the Youth guidelines. Casting Kids results must be sent in to Soupy in order to be eligible.

Fish-Offs: At the next Fed meeting in July, we will set the rates for entry for the State Fish-offs. Applications are on-line now. Each club should have a good idea of who is coming so we can figure out how much it will cost to run the event. We will need a number from each club in July.

Old Business: Ray Lentine has sent the Federation a letter asking to be re-instated into the Federation. Topic was tabled until the next meeting. Passed.

New Business: There is a new wireless kill switch device on the market. The Federation can get a discount Contact Peter MacLellan. The person who makes the topo maps for the lakes and ponds wants to come and speak with us at the next Fed. meeting. There is a on-line link from our website to THE BASS FEDERATION'S website and if you input your B.A.S.S. number you may purchase product through the site.
