Old Business, Clubs can sign up individually or as a club with FLW. Info is posted on the website. Use promo code **Federation**. Our level is *Competitor*. We currently do not have TBF club numbers. Don't worry about this we will provide them to you at a later date. Remember if you plan to fish the fish-offs, you must be signed up with TBF and FLW by the April Directors meeting.

New Business, Skeeter's Mark Davis will be at *Reynold's Marine's* open house March 18th. We are to take it back to our clubs for a vote and we will vote on it next Directors meeting. We voted to send Bill Plumber a congratulation award for his induction into the fishing Hall of Fame. Next meeting we will look into changing our by-laws to separate us from BASS. Also, decide as a club what TBF wants to do with the Team that qualified at Ticonderoga. 50/50 was won by Buzzard's Luck.
